## ***ASAS Global Network Forum*** ***Building Global Confidence***

### **OBJECTIVES:**

The objectives of the ASAS Global Network Forum are:

- To communicate the status and facilitate discussion on global efforts to advance research, development, integration, and implementation of ASAS into future air traffic management architecture.
- To identify intersecting research and development needs for ASAS enabled applications and develop practical strategies for cooperation.
- To identify global ASAS related operational and technical interfaces, and develop practical strategies to ensure global interoperability of selected ASAS related hardware, software, operational concepts and procedures.
- To identify roadblocks and suggest strategies to accelerate ASAS equipage and implementation to obtain quick benefits.
- To suggest strategies that will minimize impact to air travelers and maximize benefit to aircraft operators and air navigation service providers, taking consideration for international agreements and regulatory requirements.
- To identify issues and strategize solutions relating to the use of ASAS enabled GS and AS applications in a future air traffic management environment.

### **BACKGROUND:**

Federal Aviation Administration (FAA) and ASAS Thematic Network (ASAS-TN) Partners have agreed to sponsor a new series of international conferences called the ASAS Global Network Forum (ASAS-GNF). The ASAS-GNF will cover as wide a range of global interests, focusing on ASAS and its enabling technologies, especially ADS-B. ASAS-GNF endeavors to ensure widespread dissemination of information to all global stakeholders.

## TRANSPORTATION

Chicago O'Hare International Airport (ORD) is the nearest airport. For transportation between the airport and the hotel, you may use a shuttle, taxi, or public transportation.

### *Shuttle*

Coach USA Wisconsin offers hourly service from 8 a.m. to 10:00 p.m. Allow at least 1 hour for travel time. Pickup at O'Hare is at the Bus Shuttle Center. The one-way is \$13.00. Round-Trip fare is \$23.00.

### *Taxi*

Taxicabs are available on a first come, first serve basis from the lower level curb front of all terminals. Shared ride service is available. There are no flat rates because all taxicabs run on meters. Expect to spend approximately \$35 to \$40 for a taxicab ride to the Fairmont.

### *Public Transportation*

Chicago's public transit system is an effective way to move around the city. A one-way ticket is \$2.00. The stop nearest the Fairmont is Clark/Lake on the blue line. For more information, visit [www.transitchicago.com](http://www.transitchicago.com).

## SOCIAL EVENTS

The ASAS-GNF will host a welcome reception Tuesday evening, as well as a group dinner on Wednesday. Additional information will be provided at a later date.
